Internship

Do you know how to put theoretical knowledge into practice at work? Come and show us!

We have exciting internship opportunities in many parts of the company.

In order to be eligible for an internship with Loyalty Partner, you need to have completed a basic course of study in the field you wish to work in. Your period of work experience can last from eight weeks to six months.

We offer internships throughout the year, so there are no fixed application deadlines or start dates. However, you should apply at least four weeks before you wish to begin your work experience.
